Hi Rich,

The Foundation Center is requesting 990 tax form information and whether the foundation is a private foundation or a public charity?

Could you let me know?

The Foundation Center is the most prominent foundation directory. When one googles the MacArthur or Ford Foundation, etc it's the Foundation Center listing that pops up on the 1st page.

Thanks Rich,

Hi [REDACTED],

Thanks for this.

A few questions, Do you have your organizations most recent 990 tax form on hand? I tried looking it up, but all I could come across was a PF form for 2002.

Is the organization a public charity or private foundation?

Best,

Linda
