Spoke with Danny about how he would do the job, before I showed him the bid. He suggested a six inch slab as well. My expertise in this area is limited, so I'm relying on Danny's experience a bit.

Boxes aren't included.

Power for lighting and plumbing for irrigation will need to go in after the area is dug out but before the slab is poured.

It seemed really high to me as well but after talking with Jimmy I do think he will do a top notch job and it was a lot more work than I had envisioned.

He is getting the tile for \$2.00. Our best price was \$2.30.
