Good Morning Mr. Epstein;

I met again with Heather, the yacht stewardess, that I would like to consider for the head of housekeeping position. My thought is to do a trial period for the month of May and see how the dynamic works out.

She is requesting \$3250 per month with housing or \$4250 living ashore. She is currently living with her father on his sailboat in St. Thomas.

Would you consider a trial for the month of May? That would give her some time with the girls before your arrival and then a couple of weeks with guests.

Please let me know your thoughts.

Thank you,

Stephanie
