nice talk with tom, three issues agreed fee was paid, 250, accounting error, 350 4, lease commissions on bad debt.. no problem, we discussed new manager should be involved in any painting etc. I think we should follow your suggestion and pay fuel at cost from now on, rent discounted by 50% . free slip and parking, for all current spots. and 1 million dollars cash . Though i would still be way behind , I think it is fair, I never read the documents an should take the vast mjoirty of the hit, for being a moron.
