I will need to re do. 1. you should have the right to have it valued, is this a letter of intent to be followed by a real contract or is the agreement they would feel is binding.

totally UNFAIR ( sorry for yelling ). ambiguous , gives you no rights, no money guaranteed, . description of proceeds is weird, did you not present them with our draft.? .. it says you can lose it at any time in the futrue, , you don't have any rights to get it at all. . unless you quit, or are terminated without cause. . does not define return, this document is amateurish and was done by not a real lawyer
