As you don;t think i an being fair re your pre nup, I suggest you talk to a lawyer , in new york, Ill pay, you choose. I think you might benefit from third party advice, the sentence that you are not gettingt married to get rich, is a sign that you do not understand what is standard, the idea that you can still work , though you know that not to be a reality , is emblmatic of not fully understandind the ramifications, . I canpt do more than tell you i disagree and then pay for you to ask a disineterested third party expert.
