Jeffrey ,
Jeffrey,

I spoke with my friend architect yesterday night to explain that you are not coming but your assistante will come ...

As you know the owner receive an offer for 10 million .

The buyer will come thursday to give the deposit at the notary ... and after that it will be too late .

I'm sorry to insist but if you are really interest you should go yourself if you don't want to loose this opportunity to get this Villa for a so low price .

Today the owner will go to take her private furniture because 99 % of the furniture is include in the price .

It's really the best house in toscani with a royal origin , also in the best area ... The house need to be restore as I told you but the good things is that all is original .

The price is really under the value ...

Best regards

RSteeve
