Thanks for a number of things.. the gift yes.. but more important.. a good friend of mine who you have heard of did something stupid that may wreck his relationship.. sad, but there but for the grace of the flying spaghetting monster go I perhaps.... anyway, it has thrown me for a loop... I just want you to know that when I think of people who I think have integrity and honesty, I think of you. I appreciate that you say what you mean, to friends and others alike. It is important.
