ok i just got home
steve got home and at first was really happy and fine and then got very emotional and weird
suspect this emotional roller coaster is to be expected.
not sure how to best support him

as you can see from his note to you, he's got until december to decide something
he wants to talk and keeps asking me when but then these things came up

he just spent the morning talking to his team and saying good bye.

more soon.

Should have internet buy won't land for 6 hours.

Steve sent you an email and is eager to talk. Thank you for helping him. And me.

He's scheduled to talk to his team some time this morning. Im sure it will be emotional.

No news otherwise.
