Jeffrey

I'm in Miami doing sim with Dave Boeing 727.

The GIV can be bought for 5.75M! There is a chance I can view the aircraft wednesday morning before I depart miami.

Supposedly Jack Pruit is selling Inglaeias a Global Express and possibly taking the GIV in trade.

Gary Anzalone from Toy store called me this morning and told me this. A lot of people are invloved and watching this GIV.

Gary has a direct line with CFO at inglasias. The broker that is listing the GIV for Inglasias does not have a good reputation in the industry. His name is Pat Janis,. Gary told me any offer is made should be cc's to Enrique Inglasias. This is what I know at this time.
