When I was in New Mexico the original budget for \$53,648.00, submitted by Bosco was approved ?, this did not include in house work that Bosco/LSJ was going to perform. This went over budget by \$26,389.00, with work still to be completed. The Barge was non operation at this point of time, no rams, hydraulics, steering etc. Bosco was release before this work was completed.

I was instructed by you to get someone to complete work, 2 bids forwarded Haul Over and Island Marine Industrial (Will resend e mail) Island Marine Industrial Fix Price Contract for \$32,600 plus materials was approved by you, and work began. Deposit amount 11k approved and payed, with outstanding balance due as of date \$22,315.00. This portion of the repair is within Budget. When work was nearing completion by Island Marine Industrial Daphne produces a spread sheet !!!!

As you stated , we had no choice but to proceed with completion of repair, but requested a fix price contract. I hope this addresses your concerns
