Bulletin

**In midst of conflict between Israel and Hamas,  
Fatah praises 9 female terrorists  
- 8 suicide bombers and Dalal Mughrabi -  
who killed a total of 75 people:**

**"The earth is soaked with your blood  
like a perfume exuding fragrances...  
Your blood longs for the earth...  
You rise like a flood, heralded in Paradise...  
We are walking the same path"**

As Hamas continues to launch missiles into Israel, Mahmoud Abbas' Fatah movement expresses its support for the murder of Israelis by posting a video praising nine female terrorists, among them eight suicide bombers.

The nine murderers whom Fatah chose to glorify killed 75 and wounded over 350 people in total. They were:

**Dalal Mughrabi**, bus hijacker (37 killed)  
**Hanadi Jaradat**, suicide bomber (21 killed)  
**Andalib Takatka**, suicide bomber (6 killed)  
**Hiba Daraghmeh**, suicide bomber (3 killed)  
**Ayyat Al-Akhras**, suicide bomber (2 killed)  
**Zainab Abu Salem**, suicide bomber (2 killed)  
**Wafa Idris**, suicide bomber (1 killed)  
**Mirfat Mas'oud** suicide bomber (1 wounded)  
**Darin Abu Aisheh**, suicide bomber (3 wounded)

(See more information on attacks below.)

Photos accompany a song that honors the female terrorists, lauding them as "girls who offered [their lives], graced with determination... crowned with pride," and vowing to "walk the same path":

*The following are the lyrics glorifying the terrorist murderers:*

**Narrator:** "Salute the Fatah girls, salute the self-sacrificing female fighters."

**Suicide bomber Ayyat Al-Akhras:** "In the name of Allah, I am the Martyr who is still alive, Ayyat Al-Akhras, I carry out my operation for Allah alone."

**Song:**

"[They confronted] the enemies like a storm, salute the self-sacrificing female fighters

Revolution of flaming rage, glory, determination, and resolve

Storm, lightning and thunder

They crossed the border

Here are the girls who offered [their lives], graced with determination

The earth is soaked with your blood like perfume

Our drawn sword will be there on the day of battle

The earth is soaked with your blood like a perfume exuding fragrances

[Your] blood revenge is justified

[They confronted] the enemies like a storm

Salute the self-sacrificing female fighters

Here are the girls who offered [their lives], graced with determination

When the homeland sighs, you rise determined

Your blood longs for the earth, O [fighters] girded with fire  
You rise like a flood, heralded in Paradise  
You redeem the soil of the homeland, crowned with pride  
O lovers of the land, crowned with determination  
O you who go to avenge, to defeat the oppressor!  
We are walking the same path and we will never grow tired  
We will continue to safeguard [your] blood, O you who are praised!  
O you who are praised!"

Between photos of the terrorists, the video shows images from scenes of terror attacks: Victims and dead bodies being carried away, and scenes of fighting and wounded soldiers.

Next to the video, Fatah wrote in its Facebook post: "The female Martyrdom-seekers of the Al-Aqsa Martyrs' Brigades." Most of the terrorists honored in the video are from the Fatah movement, but three are from the terror organization Islamic Jihad.

Palestinian Media Watch has documented that Abbas' Fatah movement frequently uses Facebook extensively to glorify suicide bombers and promote violence against Israel.
