Dear All,

I can't thinking of anything more interesting than spending an afternoon talking with David Deutsch. So here's a preview of a new EDGE piece which includes a 47-minute video which is worth every minute of your very valuable time. Hope you enjoy it. Comments for a Reality Club discussion are welcome. In addition, we're trying something new for this edition - using an artist's representational drawing rather than the usual photo. We're divided on it - some of us like it. Some don't. I would appreciate any feedback you may have.

Best regards,

JB
