Hi, How are you?

Today, its the last appointment at your appartment for painting.  
This week i will get both invoices (windows, painting)

I had a lunch with Michael Levaton today (owner of Metropolitan Model agency) , he wants me to take care of Eastern European devision of his agencies which he is reorganize at the moment from simple model agency to model+celebrity agency.

DO you want to meet him this time you are here?

When exactly you are here?

Can i do casting for you at his agency? i will do casting for WFC but you need to be there to tell me whom you like. Ok?
