[Crohns Pediatric Database.docx](#)

Hi Jeffrey,

The results I see on the dashboard so far is that the forum and 2 press releases are now in the top 20 listings. I don't think there will be any major changes until their content gets published this week. Last week was spent on creating new content. They are publishing 3 press releases and a minisite over the next two days.

Attached is an article of mine on Crohn's and pediatrics-- I am sending a batch out this week as well.
