Johnnie,  
I thank you from the bottom of my heart.  
I have insurance, and hope it covers this mess; at this point I don't have a clue about what to expect. What I'm really freaking about, is keeping my office open, so my staff (some with me over 20+ years) can survive. I'm working on finding another Dr. to cover. I'll keep ya posted.  
Tomorrow's when the fun starts.
