IT

Murphy interviewed both candidates via telephone last night and thought that Marcelo was the stronger of the two candidates from a technology perspective. I would like you to meet with him when you return to NY as I think he would be a good fit. We have always paid this position around 100k. Going forward I would like to pay 80-85k and leave room for upward mobility.

Accounting Firms

Harry and I met with Mike Romeo and Tom Ruta who are two tax partners that merged their 20 man firm into Raich Ende Malter which is a 140 person firm. They were both very smart and this may be a good fit. Ironically in the afternoon yesterday Joe Pagano and I met another partner named Thomas Turrin who also merged his 5 man firm into Raich Ende Malter. Joe believes that he is Leon Black's accountant. He was just average and appeared to be more of a salesman than a number cruncher.
