Will forward the daily log from this last week which was based on the direction you gave  
The daily log has already been issued for next week which I will also forward  
Based on your direction you had said you would not be here for thanksgiving hence anyone with vacation due for 2012 has been encouraged to take it from mid Nov to mid Dec, since you are planning to be here Christmas and New Year

They said had set up their mollies and drilled stone walls ready for applications and would hang all tomorrow morning  
Did you ask them to stay after 4?
