Jeff,

Please arrange for one of your assistants to help me obtain asap certain things that we need. I don't want to bother you about this stuff, but we need this material. I can then deal with her directly.

Photographs of you (not published on the web) with any/all of the scientists that you mentioned. Photographs of Murray alone doesn't help. It needs to be the two of you together, for example. I will also need single shots of you.

have your assistant scan any articles, bio information, etc. to me, which again, isn't on the web.

Any videos you have talking with scientists, etc.

Thanks.
