I have had 4 painters including Ion look at [REDACTED] apartment to give us a quote. Ion has said it will take him approximately 5 days. Which at his daily rate comes out to 1515.00. This does not include materials. The second quote was from a painter I found on Craigs List, who quoted me 2750.00 including materials. The remaining 2 painters I found on Angies List, their quotes were significantly higher so I have discarded the idea of using them.

I will do some research into the cost of materials.
