Phil. I did call this morning and your assistant had no information. She assured me some would get back to me. Possibly you can give me a "heads up" as to when we can speak? Thank you. Peggy

I will call you this morning. What is best time? What is going on.

Mother died almost two years ago. (mid-February). Does it always take so long or is my brother's lawyer trying to ignore us and hope we will give up? I assume there are laws....can we not send a letter and close this?

Thank you. Peggy

I did ask a few times, what you plan on charging me.

Phil: I left a message for you this afternoon. I was told you were in the office. If you can not update me over the weekend...please tell me when I should call you Monday.

I also asked what your fee will be.

I can only assume, because we are now into November, that there must be some government deadlines...on closing the estate.
Please advise asap.
Thank you. Peggy
