Jeffrey,

Gary Anzalone from the Toy Store provided information attached in regards to a GV deal he was offered, he will provide photos soon. I also requested the past 6 months of GV sales and current listing on the market from Gary.

***\*\*\*Do you think I Should I contact Sean Lancaster and request his market study of GV sales?***

thank you,  
Larry

Larry,

I have attached specifications, as well as a current Aircraft Bluebook.

Here is the deal, the Aircraft books out at 24.3 million retail.

I have been offered the aircraft for 20 million US dollars, which is a steal for a 2001 600 series serial number GV.

The aircraft is foreign registered , however it is in Florida for the next two weeks and possibly longer.

What I would prefer to do on this deal Larry, is to simply work as Jeffrey's agent, and have Jeffrey simply pay a flat fee like he would do a real estate deal or yacht deal.

Once I get pics we discuss an interior refurb as a completely separate aspect.

Please take a look at the attached info and let me know your thoughts.

Sincerely,

Gary Anzalone

Senior Vice President
