Pumpkins....

Thank you so much for all your help and support these past few months. *SORRY* to drag you into these ridiculous problems, you have your own!

I always think of you as my (older but much better looking) brother and that means depending on you for things I shouldn't.

These past few months have been pretty yucky and because of the sensitive nature of the people and situation, I just haven't wanted to talk to anyone else.

You have done more than I deserve and certainly more than anyone has even done to help me and I appreciate it.

From now on, I will do my best to focus on moving forward and keep you out of the crossfire.

I'm tired of all this too...

READY FOR FUN.

Love you pumpkin and thank you!
