I did not know that you applied for a job.  
Why you would like that job in the first place?  
Regardless, whatever you want - happy to help.

It was you that told me that you are meeting in the world bank in DC.  
And you sent several messages re World Bank in last few days.  
And Bill commented that projects you outlined in your document (taxation, bonds, municipal financing etc) are so much more fitting in the World Bank portfolio.

So sorry on a short reply. I am getting suffocated in the work here.

Just let me know how can i help - there is no need for gymics, games, secrecy...I will always help anyway I can.

B

NOTHING TO DO PUMPKIN except wish me LUCK

This is the job...put it in your secret vault please. I didn't want to tell you till I was done with the process but somehow you found out!!! Tell no one.

Anyway, on shortlist of 3 people and only non-bank candidate. Interviews Nov 12 and Dec 7.

The second option, and one that I think could work well too is a SECONDEMENT where I work some time there and some time here and eventually just move to there. It's more gradual but it allows for a nice and respectful exit.

JUST FYI.
