Subject: S Lloyd Abstract
[s lloyd abstract.docx](#)

Hi Tyler,

attached is the Seth Lloyd abstract for the article. I had a good interview with him and have all the documents.

You now have 3 abstracts:

- Seth Lloyd-- quantum computing
- AI in Ethiopia
- Nowak and tumor spatial analysis.

Let me know if we get traction from a publisher and I will send you the full article.

In the meantime, I'm uploading new content on all of the websites. I'm sending out a press release as well.

thanks,
