Hi Gary,

Sorry I fell asleep trying to read your mail. I ha a lot going for me now. I stay on the phone and muss keep line free to handle business tying to avert a trip to Africa now.

First if you absolutely . must move the plane do it. Don't let me hold you up

I am definitely interested. .have you obtained the info from Centurion? and the info as to time and cost for pre-buy where it sits.

I have a \$75 million contract that is pressing me for review before signing.

Some time later today I will reply to your -e-mail. I appreciate your keeping in touch so promptly, but best to let me reply without being pressed. I have more pressing things that have come up needing my attention and more important than buying this 727

Sincerely,

Frank Lewis
