I have attempted to make clear , that I am aware that my thinking is less than it should be. I am doing my best to regain my wits.-- regarding anastasia, and all the rest. I believe I did what was agreed. she was told to leave. ONLY because we had a deal , that i kept. you choose to ignore that fact , but focus only on jenna. not what was done,only on jenn I offered you life security in exchange for , doing as i asked, you chose to decline and did what you wanted . I told you what i thought had to be done to maintain your visa, you chose your own path and disregarded my advice, . I offered you a life in return for doing as i asked, you chose to do as you pleased, against all my attempts. You chose not to take my offers. and follow your own advice. I am confused as to what you want now. you have made your choice. over and over,. My discipline , however allows me to know my current decision process is faulty, I need to rest.
