Dear Ted, Please accept my sincere apology for the misjudgement of my chief pilot [REDACTED]. Two months ago i asked him to help a friend , find a new pilot for his global . I never, under any circumstances would have allowed , sanctioned , or had anything to do with his poaching your pilot. In fact if i had been told , i would have immediatly stopped it. Ghislaine told me what happened, only yesterday, and that was the first i heard of it. you have a right to be annoyed. I have never , and would never do anything knowingly , that would cause stress to you . sorry.
