Thank you
Looking at this we are left with no choice but to look for a new company, which is the last thing I wish to do

Would Jose consider the following?

32hrs @ 20hr per week which would include pilots house

Dear Brice,

Perhaps the following will help:

In 2006, Aspen provided 32 hrs labor per week @ \$23 per hr; in 2007, 32 hrs @ \$23 per hr; in 2008, 32 hrs @ \$23 per hr. In July, 2009, the Pilot House was added - 4 additional hrs @ \$25 per hr. In 2010, the hourly rate increased to \$25 (our standard rate is \$28 per hr) for both the Main House and Ranch Central, making the monthly net billing, before NM Gross Receipts Tax, for the Main House and Ranch Central \$3,791.67 and the Pilot House \$433.33, for a total of

\$4,225.00. Note that Aspen provides maintenance for the Pilot House April-November only.

I trust this provides the information you need.
