Subject: ok will be running out soon

but with all this talk the question is what company do I like for networking gear check these guys out

<http://www.asante.com/products/SmartBridge/index.asp>

<http://www.asante.com/index.asp>

these would be a good place to start in fixing things

http://www.asante.com/n/products/FriendlyNetSwitches/GX6_2400.asp <<<<<, I would say we buy 4 before the next island trip
