Jeff,

I understand your situation and position with [REDACTED] but this is more of an issue you need to take up with her directly. I never pursued her. She came to us a while back. She mentioned things about some FBI thing and a few others things to me not worth repeating and I told her it wasn't my business. My business involves me and the people I represent.

I obviously think she is a beautiful girl and found interested in representing her and I told her she needed to be direct with you guys and tell you if she was leaving. She told me she did.
