Thank you for the words of advice, I obviously needed to hear them again. Your analogy was spot on.

I'm going to write up a strategy while I'm in Paris. Now that I have my eye on the prize I need to make sure I take the right steps to achieve my goals.

On a side note, can you tell me the name of tomorrow's meet? I would still be interested in attending if it's possible. Now that I'm on the advisory board of Access Now, I want to be on top of the issues.

Let me know and thank you again Jeffrey.

Hope , yesterday was helpful for you. The very first time we met, I suggested that FLock shooting was endemic to those that move to ny. There are so many things flying at you from all directions that it takes great discipline to focus, on one. pull the trigger , and if it doesn;t work move to the next.
