Title: peggy siegal/bryan bantry 60/40 split of profits

Michael- when and where can I call you on Monday?

You are missing the entire point of why I came to you this summer.

Bryan Bantry is "managing" this company. I need to see all the billing. I need to see the checks that come in. I need to see what he says is expenses and where that money comes from to pay. I need to know how he determines that is the profit and the split. I need to see all paychecks. I need to know what bonus are given out and how that is determined. I need to be kept apprised of all financial activities of the company that has my name on the door.

Can I be any clearer?

I also have been asking you and Phillip to please get me an accounting of all checks my brother has written on my mother's estate.

These requests have been repeatedly emailed since the summer.

What is the situation? I will call you and Phillip to discuss Monday.

I do understand Phillip has little reason the deal with me until my mother's house in Alpine is sold...and apparently that could happen shortly....but I have repeatedly asked for a new will.

Looking forward to speaking with you on Monday. I will try to have Jeffrey Epstein on the phone too.
