There is no way that Peter and Igala with 6 workers can handle all the work lined up with the trees and planting you want done in the next few months, and we cannot hire any competent laborers for \$10.00/hr I think you need to consider this change and charge us ,the forman's and the employees to perform. I realize this will affect some of your other employees, and there some real inequities that we should review your next visit.

Jeffrey,
Attached an analysis of the existing Landscaping employees with Gary and my suggestions.
Please review and comment
Regards Brice
