Dear Mr. Epstein

In some instances yes, prices are slightly higher because the plants have grown bigger in size since february. In other instances prices are lower, I hope you noticed that I discounted quite a few of them. Other nurseries would have increased ALL the prices due to maintenance costs which are high as everything else in these islands.

My FINAL price for the list I sent is \$31,994 with the same terms and conditions and pick up by end July. I am not willing to negotiate any further.

Regards
