I doubt it given the timing of Herman's suspension and that they hired their current female associate Jessica Armour while Cara was still at RRA. They have hired a young man since, in 2010. Both of the new people are much better credentialed than Cara. Do you have some reason to believe she ever worked there?

I coordinated with the process server this morning and Ms. Holmes was served just after her 8:20 AM arrival at her office. Her only concern was how he knew where to find her. His answer was that he did not know.
