Sorry;
I sent this before but I am not sure if it went through.
I know Brice is working on this project.
I just need to get a feeling of the direction you want to go in so I can supervise

FYI
Here are some pics of the water damage at the ranch.
Brice i going out next week to look at.
Note the patio pictures . The tar paper is holding in the water and decomposing the
sandstone decking material.
There is a slight leak into the telescope room now.
