Subject: GIV prebuy list

Jeffrey

here is the prebuy list I have compiled, it is adjusted Gulfstream Survey that excludes the 38 items completed during the 72 month inspection, I personally included the items due in Sept 2013 which include below floor inspection, FS85 which is the Popping inspection, and flap inspection. (items 99 - 113)
I will have Gulfstream in PBI provide an estimate for this labor?
do you approve of my list?

thank you,
Larry
