Marc has one unused ticket that he paid for personally that has yet to be reimbursed:

a) Miami to STT \$1,011.10 (please note that he booked business class ticket which no one approved)

Since this ticket was never used and is in his name only Marc can reuse

Other factors to consider:

1) Marc's unused Zorro ticket was reimbursed by HBRK but never used resulting in a credit that only he can use at a later date

The cost of that ticket was \$525.29

2) Marc was paid his entire salary for the past two weeks resulting in a net pay of 3,849.27. This ten day work period includes today and tomorrow.

These 2 days equate to 769.84 of additional pay received for days not worked.

Please advise if i should reimburse 1011.10 ticket.
