Hi Leslie,

Attached is an article for you. Will send you more over the weekend. Thanks for posting it to all of your blogs and anywhere else. I'm going to send it through to as many science blogs/ journals as possible. Will send you all the links that pick it up. It takes about 24 to 48 hours.

I have created a Recommend Reading series so that I can post new content everyday on Jeffrey Foundation blog and public profiles.

thanks,
