I do if the chief engineer was just fired last week.

Or if he came home from the last race and found you sleeping with his wife...

Mr. Eptein,

I thought of an analogy for you in racing in regards to our investment conversation.

All I care about is if the car is fast or slow. Is the stock going up or down...

But there is no way for me to know if the car is fast or slow without looking under the hood. Looking forward to your rebuttal...

It was a pleasure to meet you. I look forward to more stimulating conversations in the future. Thank you again for lunch and the time on your island.

All the best,
