I have found a helicopter that is based two hours south of San Francisco, this company was recommended by Chris Shurkus at Sikrosky, they operate a S76 and Twin Star, however the S76 is not available this weekend, but the twin star is, its \$1500 per hour, and I can use AAG money to pay for this charter. Let me know if this is something that may assist Je with his schedule in Napa/San Fran?

The down side, its not an IFR helicopter, so weather has to be good and there is usually Fog on the coast in Cali,.

Thx,

Larry
