hi, i just came out from the meeting with the owner of New Madison model agency. Frederic Benfaid. super agency with 12 employees, super women department, super scouting, a lot of good new faces who works a lot, vert strong men department which takes 80% of all market.

a lot of girls doing a lot of compaignes . reputation of the agency is very good, atmosphere also, a lot of possibility to develop licensing and otganize again model contest every year. i liked the agency a lot. income this year 6mln.
