Subject: Another bday

Hallo my lovely!

I wish you a happy year and a great bday!

I did land a job with Sapir in NYC, but missed the visa-cap by a week, hence I lost the job. New H1B visas will not be issued until Oct 1st.

Jan 29th I'm going to London to interview. Anything is better than being in Abu Dhabi.

Much, much love and big kisses!
