We definitely got your money's worth.

I actually got a call from Lawrence Bender- a very nice film producer to "help" him on parties at his house on the St. Barth's beach next door to Aby Rosen's. At first I said if they flew me down on the private jet that I found out belongs to Marc Leder (who is that?- from Boca Roton who just gave his ex-wife 250 mil?) and give me a room in the house, I would come and help. Then I found out this pimp Lawrence Robins invited 6 bimbos...and I said..."[REDACTED] will not let me fly.".....It was just a stupid idea I entertained for a day...

So now I am going to Palm Beach Dec. 28 and staying with Julia and David Koch...and coming back Jan. 2. Not St. Barth's hot, but very comfortable and I like them very much.

Scott Rudin has Columbia and Warner's calling me NOW to help on Moneyball and Extremely Close...Moneyball will get nominated...Extremely Close has a problem...brilliant, but difficult film that came out too late.

It's very warm in NYC.
