Mrs. de Jongh,

Thank you for getting back to us. We do not send articles for subjects to review. Are you available for an interview? The article has gone to the magazine, but we may be able to make some changes.

We informed your husband weeks earlier that we wanted to talk to you but were addressing the questions to him for his and your consideration. He never got back to us so I find your email to be disingenuous.

Lenina,

I have been on an off-island trip. I just received this email as it was sent to a general FTC email account. Can you please elaborate on your request? Feel free to send me the article to review.

Regards,

Cecile de Jongh

Mrs. De Jongh,

We are working on a story about business and politics in the Virgin Islands with a focus on Jeffrey Epstein. As the wife of the governor and the manager of Financial Trust Company, you were named several times in our story.

We would like to give you an opportunity to respond to some of the claims in the story. We would also like to give you the chance to comment on the interplay between your job and the governor's actions.

We are running up on deadline so a prompt response would be appreciated.

Hope to hear from you soon.

Best,
Lenina
