Sorry the email sent without me finishing. Anyway, I am out of here (BCLC) as soon as possible. I spoke with Darren yesterday, who by the way sent me a beautiful purse and wallet for Christmas. It was very thoughtful. If you have suggestions, let me know. I am exploring options at the moment, but know for certain this not going to work anymore or I'll end up in an institution or something. :)

Have a happy holiday. Hope you are somewhere beautiful and having fun. :)

Hey there -

I hope all is well. I have been meaning to send this email for a while now, but have been sidetracked. Anyway, after the holidays, I need to plan my exit strategy from this place. I cannot take it anymore and it is turning me into a miserable human being. I won't bore you with all the gory details; however, I definitely think you get a good chuckle out of some of the circumstance.
