Anna called Brice this morning as they had not sent Manuel and Melvin's phone over to the office and Brice stated that he had Manuel's , but he couldn't reach Melvin to get his phone. Normal protocol is for these to be turned in on exit sign off. The ATT bill arrived this afternoon and there is \$2400 worth of charges on Melvin's phone. Most roaming in the DR as of 6/2/2012.

Do you want to cancel the phone ASAP? It's an Iphone and may have some tracking capacity.

Should we report the charges to ATT as off a stolen phone.

Please advise.
