Here's the guy to manage your houses. 61. Ex Hyatt. Will require about \$200,000. If you want to interview, just call him directly. If you don't want to interview, let me know and I will turn him off.

Did I tell you about the relative who spent about \$50mm on a movie that he screen about 12 times? He's the one who spit in his mother's food before he brought it to the table for her.
