Michael. Thank you for your quick response. We are billing a lot of work. There is an employee who is bringing in a lot of sponsorship money. Bryan is talking about giving him a \$25,000 bonus. I need to know what is going on. I need to be on top of money billed, what's paid, expenses, who decides bonuses and what is considered profit to split. Bryan has set himself up as everyone working independently for him and this is not acceptable especially if I do not have a clue what's going on with my name on the door.
Thank you. [redacted]

Dear [redacted]
we received numerous documents from Katia and are going through everything. She has been sending additional information as requested and on her own. It takes time to review all of the documents. We will let you know the moment we have completed the work.

Michael.
